1. This is a sample itinerary. The actual itinerary will be provided to each student by March.

2. All participants will receive a Certificate of Completion from Dalian Jiaotong University, with a description of class hours, on-site cultural activity hours, and practicum hours. The entire Practicum could yield up to 1 to 2 transfer credits depending on each individual institution's credit transfer policy. Students are responsible for working with their advisors to determine the credit transfer for this two week curriculum based on each individual institution's transfer policy.
