

DEBATEWATCH 2020

THE COMMISSION ON PRESIDENTIAL **DEBATES**

The [Commission on Presidential Debates \(CPD\)](#) has agreed to partner with ADP to host Debate Watch Parties on campuses! These Debate Watch Parties can be organized with your campus in mind (virtual or with social distancing) and we will provide a Resource Toolkit, containing political ideology diagnostic activities, guidance on leading deliberative dialogue, and strategies to overcome digital polarization. If your campus wants to be included in the Debate Watch Parties, contact Cathy Copeland at CopelandC@aascu.org by August 30th and provide the name and contact information for a coordinator for your Campus Debate Watch Party.
